

Report to the Kentucky Library Association Board
President-Elect
Louisville, Kentucky
March 16, 2013

I attended ALA Midwinter Conference in Seattle. I attended the Chapter Relations Committee meetings. I also attended ALA Council I, Chapter Presidents and Presidents-elect were recognized at the beginning of this meeting.

I have been gathering session proposals for the conference in September. The call for sessions closed February 18th. The Conference Planning Committee will meet after lunch on March 16th. Planning is proceeding well, and we feel it will be a great conference!

Respectfully submitted,

Brenda Metzger
President-Elect
